BIG 5 SAFARI LODGE

MY HEART IS AT HOME IN AFRICA

NYATI Safari Lodge has been owned by a Danish couple Jørgen and Lisbeth Nielsen for 25 years. The lodge is managed by a South African Family ensuring quality and excellence in every stay.

NYATI Safari Lodge is located in its own 10,000 ha private Big 5 wildlife reserve with an open connection to South Africa's famous Kruger National Park. Your stay includes world-class "Big 5" game drives, exquisite gastronomy and drinks.

Welcome to the perfect starting point for an authentic safari, exquisite pampering and unforgettable experiences. NYATI Safari Lodge offers a luxury safari in our own 10,000 hectare wildlife reserve, within South Africa's famous Greater Kruger National Park.

The lodge consists of the main building with restaurant, bar, shop, pool and lounge area, 10 exclusive River Bungalows, 6 Private Olifant villa suites, 5 Luxury Rhino Tents and the separate Cheetah Camp, suitable for private groups of up to 14 people.

All lodgings are located right on the Olifants River overlooking the wild, raw and unspoilt nature. The buildings are connected with a cosy network of paths and footbridges.

RIVER BUNGALOW

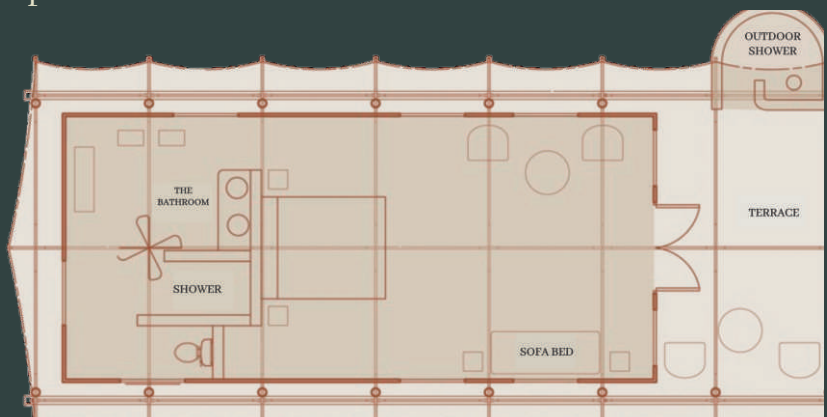

The 10 luxury River Bungalows in NYATI Safari Lodge are all facing the Olifants River and are built into the slope towards the river, so the construction is in harmony with nature and offers the best panoramic views from each bungalow. Large sliding doors of glass lead onto your own, private furnished terrace from where you have a spectacular view of the Olifants River and the vast African bush. Relax for a while in the tempting hammock while watching elephants, giraffes, antelope and other animals come down to the river to drink as you savour the splendid sunset, or enjoy a drink in the complete darkness of the African night, surrounded by all the scents and sounds of the bush.

LUXURY RHINO TENT

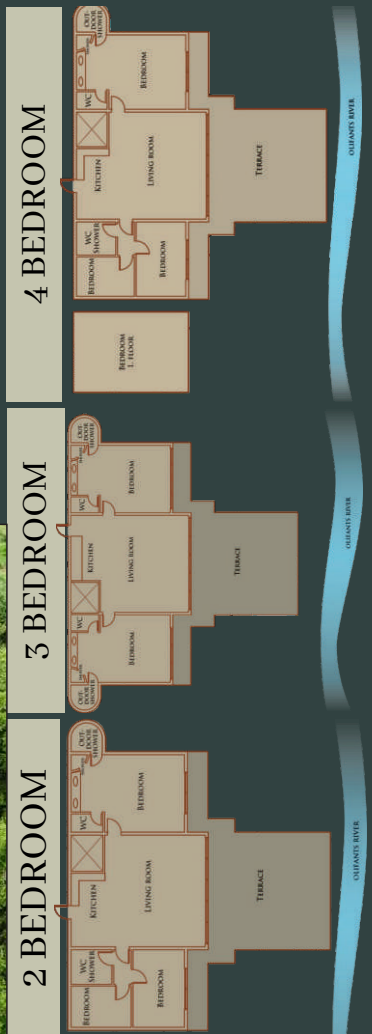

The 5 luxurious Rhino Tents at NYATI Safari Lodge are all facing the Olifants River and are built into the slope with the natural environment. Each luxurious tent features its own en-suite bathroom and the spacious private deck offers a spectacular view of the Olifants River and the vast African bush. Relax and enjoy the stunning view while elephants, giraffes, antelope and other wild animals come down to the river to drink as you savour the splendid sunset.

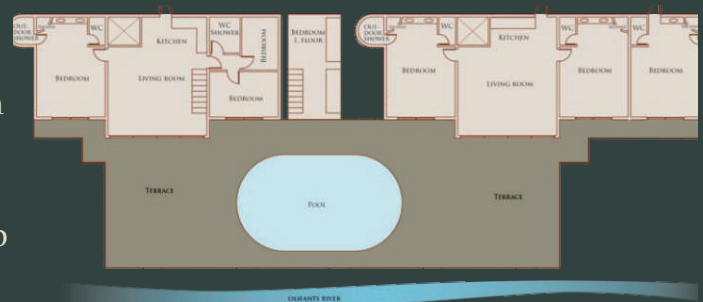

OLIFANT VILLA SUITES

The 6 private luxury villas are suitable for a group of friends or a family who want more space and privacy. The villas have either two, three or four bedrooms, a large living room, private pool and boma, as well as a covered furnished terrace, where you can enjoy life, each other's company and the panoramic views of the bush and Olifants River. The villas are only a few minutes walk from the main lodge, where the restaurant is located, but in sufficient distance to ensure a secluded and private atmosphere. Here you can be together in peace and quiet, talk about the safari experiences of the day, watch the wildlife along the river or take a dip in your private pool.

PRIVATE CHEETAH CAMP

Private luxury safari at your finger tips. If you are a group of 8 to 14 people who want your own private luxury safari experience, NYATI Cheetah Camp is the place for you. Here you will have your own private safari camp of 500 m² with private chef, guide and private safari program. The Cheetah Camp includes its own large swimming pool perfect for relaxing, while overlooking the Olifants River and all the animals that come down to the river for a drink.

BUSH SPA

Enjoying the luxury of an African safari experience, is as much about the sights and sounds of the bush and its spectacular wildlife, the authentic warmth of the culture and the people as it is about being pampered and truly being able to relax in a setting unlike any other.
